# VERITAS EVANGELICAL SEMINARY

PROCLAIMING THE GOSPEL.  
EQUIPPING THE SAINTS.  
DEFENDING THE FAITH.

Welcome to Veritas Evangelical Seminary! Choosing the right learning environment is an important decision, after all, ideas do have consequences. As an inter-denominational seminary we strive to offer a well-rounded educational and spiritual experience which is grounded in the inspired, infallible, and inerrant Scriptures. Our uncompromising commitment to the classical doctrines of Christianity will be readily apparent in a world in which these biblical truths are increasingly being challenged, reinterpreted, or even discarded altogether. For this reason, our courses are fashioned to appeal to a broad base of evangelical Christians seeking an alternative, and an answer, to the unorthodox, modern, and post-modern theologies influencing the church today.

Our faculty has been carefully selected to accomplish these educational goals, each having a passion for proclaiming God's truth and defending the faith in a cultural milieu that is becoming more hostile to the Christian world view. With nearly 200 books and hundreds of articles published, some of which are standard textbooks in seminaries and Bible colleges across the country, our teachers offer students a wealth of experience accompanied by humility that has been tested by time and practice through decades of research, writing, and peer review. What is more, our faculty is firmly committed to the great commission of making disciples, teaching them not only the "what" and "how" of the Christian faith, but also making clear "why" we believe. Whatever your course of study may be, the completion of your time at Veritas should greatly enhance, first and foremost, your relationship, appreciation, and worship of the Lord Jesus Christ. Moreover, you should expect to see greater boldness and effectiveness in your ministry, evangelism, and defense of the faith to the glory of God. My hope and prayer is that your studies will help you intimately comprehend and experience the love of God in a rich and dynamic way!

"Thy Word is Truth" John 17:17

"If ever there was a time when we needed the best of Christian thinkers to help us think through the tough questions we face, this is that time. Veritas Evangelical Seminary is precisely for such a time as this. Dr. Norman Geisler and the VES faculty of scholars provide the finest of such training. For anyone considering studies in apologetics and its related disciplines, VES is an institution at the forefront, worthy of that pursuit."
